

*There was a chubby snowman  
who had a carrot nose.  
Along came a bunny  
and what do you suppose?  
That hungry little bunny  
was looking for his lunch.  
He saw that snowman's carrot nose,  
-nibble, nibble, nibble, nibble, CRUNCH!*

## **ST MARY PRESCHOOL** **MID-JANUARY NEWSLETTER**

We'd like to start off this newsletter with one of the children's favorite songs of the season. Three year old classes have started work on their Number Book. (They will be making Color and Shape Books also). Four year olds are working on their Alphabet Books. Please remember that most work will be saved until the books are completed. The books will be bound and then come home. In addition to number and letter identification, 3 yr. olds are practicing their cutting skills and 4 yr. olds are working on writing their names.

Please remember that the snack calendar and newsletter are available on the school website. Recently we have had a lot of parents forget to send in a snack on their child's day to be leader. If you forget, please send in a snack to replenish the cupboard. That way we have snack to cover the days when someone forgets. Thank you to those of you who remembered.

Preschool registration for next year has begun. Our current 3 yr. old students get preference in registration and in their choice of AM or PM class. Please recommend us to your friends and family who have preschool age children.

Parent-teacher conferences will be held on Wednesday, February 15<sup>th</sup>, from 8:30 AM -8:30 PM. If you can schedule during school hours, please do so, since we have 38 parents to accommodate. A slip will be sent home soon for parents to indicate times that would be good for them.
